### BAPTISTS CAST VOTE

Two Societies Elect Officers  
for Ensuing Year.

FREE BAPTISTS IN FAVOR

Publication Body Indorses Proposition  
for Union—Historical Association  
Names Many Vice Presidents.  
Dr. Vedder Tells of "A Century of  
Baptist History"—The Proceedings.

The session of the American Baptist  
Historical Society in Calvary Baptist  
Church last night was devoted to the  
election of officers for the coming year  
and an address by Henry C. Vedder,  
D. D., of Pennsylvania.

The secretary was instructed to cast  
the ballot of the entire membership of  
the society for Bernard Maclean, of Penn-  
sylvania, for president; Lansing Burrows,  
Georgia, for vice president; A. L. Vail,  
Pennsylvania, for recording secretary;  
George H. Charles, Pennsylvania, for cor-  
responding secretary, and Arthur Malcom,  
New Jersey, for treasurer.

Philip L. Jones, Thomas S. Samson, W.  
M. Walker, J. Henry Hasham, E. E.  
Ayres, W. W. Keen, David P. Leas,  
Harry S. Hopper, and Walter Calley, of  
Pennsylvania, and John W. Lyell and  
William Coxe, of New Jersey, were in  
the same manner elected board of man-  
agers.

**Vice Presidents Elected.**  
Vice presidents, representing each State  
and Territory, were elected as follows:

Alabama, N. B. Wharton; Arizona, Win-  
field Scott; Arkansas, J. T. Christian;  
California, E. P. Bennett; Colorado, Gre-  
ville Malcolm; Connecticut, George M.  
Stone; Delaware, Richard B. Cook; Kan-  
sas, E. B. Meredith; Kentucky, T. T.  
Eaton; Maine, H. S. Burrage; Maryland,  
H. A. Griesmer; Massachusetts, George  
E. Harr; Michigan, J. H. Jackson; Min-  
nesota, E. B. Pope; Mississippi, N. T.  
Lowery; Missouri, A. G. Payne; Montana,  
James P. McNamee; Nebraska, S. Z. Bat-  
terson; Nevada, W. C. Driver; North Car-  
olina, John J. Muir; Florida, Lincoln Hul-  
ley; Georgia, W. W. Landrum; Idaho, J.  
P. Phillips; Illinois, J. S. Dickenson;  
Indiana, W. T. Stott; Iowa, E. J. Ter-  
rory; Kansas, W. E. Martin; Kentucky,  
Rhode Island, H. M. King; South  
Carolina, T. M. Bailey; South Dakota,  
T. M. Shonofelt; Tennessee, J. M. Frase;  
Texas, J. M. Carroll; Utah, Bruce Kin-  
ney; Vermont, Henry Crooker; West Vir-  
ginia, R. McDaniel; Washington, C. W.  
Van Osdel; Wisconsin, E. E. Edmunds,  
and Wyoming, W. H. Fitzgerald.

In his address, "A Century of Baptist  
History," Dr. Vedder outlined the his-  
tory of the church for the past hundred  
years, dwelling upon the fact that many  
of the beliefs accepted by the early Bap-  
tists, which were in early days made the  
subject of ridicule by members of other  
denominations, are now accepted as a  
part of their own creed.

**Officers Re-elected.**  
Samuel A. Crozer, of Pennsylvania, was  
re-elected president of the American  
Baptist Publication Society at the third  
session of that society yesterday morn-  
ing. All four of the vice presidents were  
re-elected, as follows: W. Howard Doane,  
Mus. Doc., Ohio; Joshua Levering, Mary-  
land; W. G. Brinson, Illinois, the presiding  
officer, and D. C. Hughes, D. D., of  
New York, father of the governor of that  
State. A. J. Rowland, D. D., L. D., was  
re-elected secretary, and J. G. Walker,  
D. D., recording secretary.

Practically the entire slate of old offi-  
cers was re-elected, including the man-  
agers. They are as follows: Rev. Dr.  
Henry G. Weston, Rev. George E. Beebe,  
Rev. Dr. Wayland Hoyt, Rev. Dr. John  
Gordon, Joseph E. Sagerbeer, Rev. Dr. B.  
L. Whitman, Rev. J. N. Folwell, Rev. Dr.  
J. H. Haslam, Rev. Dr. J. W. Lyell, Rev.  
George H. Ferris, D. W. Perkins, George  
C. Crozer, David P. Leas, John S.  
Stevens, J. Howard Gendell, Charles S.  
Walton, Robert H. Crozer, E. L. Tustin,  
Charles R. Beck, Charles M. Roe, and  
Mrs. Charles H. Bates.

The election was by acclamation upon  
the nominations of the nominating com-  
mittee.

**Poor Readers of Baptist Books.**  
Dr. W. H. Geistweil, of Illinois, pre-  
sented the report of the committee on  
publications. It emphasized the impor-  
tance of literature as a factor in religious  
and denominational work and asserted  
that few of the denominations read Bap-  
tist books and Baptist literature. In this  
respect, the report said they were far  
behind the Methodist Advocate. The re-  
port gave the receipts and expenditures  
of the publishing department in compar-  
ison with those of the year previous.

Dr. W. H. Merriam, of Massachusetts,  
took exception to the statement that the  
publications were not generally read, say-  
ing that the persons who supported the  
church and the church organizations and  
services read its literature. Dr. W. P.  
Hollings and Dr. D. D. MacLaurin also  
discussed the report.

Rev. H. W. Smith, of Philadelphia, in  
presenting the report of the missionary  
department, stated that the present was  
the time to push the work, and that it  
must be done through the Sunday school.  
He also spoke of the good work of the  
"colporteur" wagons.

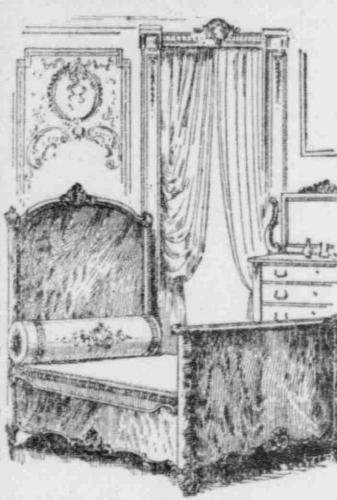

**Urgent Need for \$50,000.**  
Dr. D. C. Hughes, in speaking on  
the report of the Bible committee, de-  
plored the discouraging lack of funds for cur-  
rying on the work. At least \$50,000 is  
needed, he said, to keep it up, and there  
is no need more imperative. The society,  
he said, has perfected a new edition of  
the Improved Bible in all languages, that  
translated accurately every word from  
the mouth of Jesus Christ.

Upon motion of Secretary Rowland,  
the society declared itself in favor of the  
proposed union with the Free Baptists.  
The latter part of the session was de-  
voted to the Sunday school. Rev. H. T.  
Musselman, superintendent of normal  
work, addressing the meeting of the  
National Teacher Training Institute. He  
outlined the work of the institute and the  
courses given to teachers and prospective  
teachers, saying that the salient point for  
success was the pointing of teachers to  
the things which are vital, more than to  
those that are theological. The child, he  
declared, is foremost in the church to-  
day, and it must be reached through the  
Sunday school.

**Tells of Barren Bible Classes.**  
M. A. Hudson, of New York, founder  
of the Barren Union of America, opened  
the symposium on "Adult Movement."  
He related the success that had attended  
the Barren Bible classes throughout the  
country, and the wonderful spread of the  
movement. Both he and Dr. Musselman  
supplemented their talks with many  
clever stories, that drove home the salient  
features.

A resolution relating to mission work  
funds was also passed unanimously, with-

### Suiting a Variety of Different Tastes.

Not only is our stock large,  
but it represents a vast va-  
riety of tastes. What would  
suit one person may not suit  
another, so our buyer has to  
be liberal in his choosing.  
Then again, some pocketbooks  
are larger than others; he's  
arranged for this, too, and  
while the rich can have their  
demands met promptly and  
pleasingly, the man of moder-  
ate means can secure equal  
satisfaction. But keep this  
one thought continually in  
mind: Every article we buy  
to sell again must be up to  
our idea of perfection. No  
matter what the price paid,  
quality is shining out conspic-  
uously.

### An Economy and a Luxury.

A GOOD Refrigerator is an  
economy as well as a luxury,  
for it enables you to save good  
food that would otherwise  
spoil. The trouble is to dis-  
tinguish between a good Re-  
frigerator and one that is not.  
Quality does not always de-  
pend on price, and the outside  
of a refrigerator is no indica-  
tion of the way it is built. We  
have carefully studied and ex-  
amined the qualities of the  
makes we handle, and we  
know from practical experi-  
ence that they give the best  
possible service. They are  
built on true scientific prin-  
ciples, affording a proper cir-  
culation of cold dry air, and  
are economical in the con-  
sumption of ice.

Justice Gould yesterday signed a de-

American Building and Loan Association  
the real estate conveyed to the wife and  
daughter of William J. Frizzell, shortly  
before the association's affairs were  
taken in hand by the court.

Mr. Frizzell was one of the defendants  
in the cause brought by the receivers of  
the association and prior to the insolvency  
of the association, Mr. Frizzell had been  
its secretary. The court held that Friz-  
zell had no right to convey the property  
to his wife or daughter, because of his  
connection with the association, and any  
equity in the said property should pass to  
the receiver of the insolvent association.  
The property in question is located at

"Of course Electric Light is cleaner,

nection with its use it is also safer than  
other forms of illumination, but—"

But what? Have you retained that old,  
erroneous idea that electric light is expensive? If  
it causes your ceiling and wall paper to last about  
three times as long as with open flame illumi-  
nants, isn't that economy?

It is a well-known fact that on account of the  
ease with which electric light is operated it is sel-  
dom left burning when not needed. Does not that  
also tend to economy?

Besides, our rates for current are very rea-  
sonable.  
Let us tell you some other points of economy  
about Electric Light.
